Representative Rooney's subcommittee of House Appropriations and includes Preston, Sikes, Bow, Cederberg, and Lipscomb. Wilson indicated he had no idea how Mr. Rooney might wish to do this but he would mention our offer and would advise us.

8. Talked with Jack Leahy in the Department of State mentioning to him the article in the NATIONAL REVIEW of 15 August 1959 concerning the Senate Internal Security Subcommittee on communism in Cuba. Leahy knew no basis in fact for such a story but did indicate that the Department had requested in writing the opportunity to review the executive session transcript of [] which the Subcommittee has not yet made available. In addition, Leahy mentioned that Frank Schroeder of the Subcommittee staff had indicated they were planning to hold hearings on 11 August dealing with another defector from the area indicating that the name of this defector had been picked up from [] However, the hearing was not held since Schroeder said he read in the newspaper that this individual was presently in Rio de Janeiro. This information was furnished [] WH.
